/'ræbit/

rabbit

/'bʊtʃə(r)/

butcher

A rabbit goes into a butcher's shop and asks, "Have you got any lettuce?"

The butcher says, "We don't sell lettuce here. You need the greengrocer's across the road."

The next day the rabbit comes into the shop and asks for some lettuce again. The butcher tells him, "Look, I told you yesterday we don't sell lettuce! You need the greengrocer."

The rabbit comes in the next day and asks the butcher again, “Have you got any lettuce?”

The butcher goes mad. He says, “Look, I’m sick of this! How many times do I have to tell you I don’t sell lettuce! If you come in here again asking for lettuce, I’m going to nail your ears to the floor!”

The next day the rabbit comes in and asks the butcher, “Have you got any nails?”

“Nails? No.”

“Right!” the rabbit says, “Have you got any lettuce?”

P. 40 Model answers

1. Enrolment at university depends on having passed the exam.
1. Students can enrol at university if they pass the exam.
2. The task of writing (well) involves many aspects.
3. The difference between foreign and Italian students is very clear.
